

4. How did Jesus view the woman caught in adultery and what might have been His thoughts about her in this situation?

5. How did Jesus view the Scribes and Pharisees in relation to the woman caught in adultery?

6. How does Jesus' response (vs. 7) reveal that He saw the situation differently than those seeking to condemn the woman?

7. Why would those who were older be the first to walk away?

8. Why is *verse 11* so shocking in the context of Scripture as a whole? Is it saying that God is okay with adultery?

### **Living It Out:**

1. In light of this passage, how should we respond when we discover some serious sin in someone we know?

2. In light of this passage, how should we respond when we ourselves have a sin or shortcoming that is discovered by others?
