

# Not Everyone Walks Away

*John 6:60-71*

**Introduction:** If you've been a Christian for a while, you've known people who professed faith in Christ, who seemed to follow Him for some time, but then they fell away. There are many starting points that go on to become full blown defections from God. Today's message will help you understand the phenomenon of three basic kinds of people and how they respond to Jesus and His message.

**Context:** Jesus quickly goes from candidate for King to world's most unpopular man.

## Three Groups of People in the World (vs. 60-71)

### 1. Defectors who don't Really Believe (vs. 60-66)

### 2. The Determined who Follow in Faith (vs. 67-69)

### 3. The Deceived who Choose to Betray Him (vs. 70-71)

**Conclusion:** Some people bail, some betray and others believe and live.

What category do you fall into? Like the crowd (open defection)? Like Judas (subtle deception)? Or like the disciples (firm determination)?
