

Man: Created in God's Image

Genesis 1:26-31

The big question undergirding this series comes from Psalm 8:3-6

The beginning of the beginning (Genesis 1:1-2)

The Bible declares that Man was created by God who is infinitely intelligent, personal, and loving. (Genesis 1:26-31)

Man was created in the image of God

The essence of the image of God in man is that man is a spiritual being

Man, in God's image, is creative

Man, made in God's image, is a moral being.

Man, made in God's image, is commanded to reproduce, and have dominion. (vs. 27-28)

Only the Gospel can restore man's lost likeness. (Colossians 3:9-10)
