

Life in the Word

Cornerstone Sermon-based Life Group Lesson

Sermon Series: **The Battle Belongs to the Lord!**

Sermon Title: **Joshua**

Scripture Passage: **Joshua 2**

Getting Started

- 1) Read Joshua 2 together as a group. What has God been showing you this week?
- 2) Pastor Dan makes a really good point when he says that Rahab knew that “if the Red Sea could not stop their God, then neither could Jericho’s walls”. How often we ourselves see something looming and immediately succumb to fear of such an object instead of looking to our God. What can we learn from Rahab’s actions?
- 3) The LORD keeps his promises always, even when we don’t get to see them fulfilled. This was a great comfort for the Israelite men...and it is a comfort to us. How have God’s promises been a comfort to you?

4) Ponder this quote from Pastor Dan and then discuss together its implications for how we interact with others today... “Mercy is God’s fatherly compassion on those He knows are weak, broken and needy. God’s mercy ministers to those who are in distress and misery.”

5) Read Matthew 1...It is amazing that those who are considered outside the people of God, were not only included but part of Jesus’ line. How should that affect our relationship with our brothers and sisters around the world?

6) Pray for one another and for the Church and her leaders both locally and globally.
