

## **1 Thessalonians 3:1-13**

The Apostle Paul begins chapter three as a continuation of his defense against accusations of insincerity regarding his love and commitment to shepherd the new believers in Thessalonica. One young man stands out in this part of Paul's letter, and his name is Timothy.

Who was he? What caused Paul to send for him to Thessalonica? What was the effect of the news he brought back to Paul? We will find the answers to these and other questions in the verses we're studying today.

Keep giving em' heaven!
