

# How to Keep Living a Victorious Life

## Joshua 23

### Joshua's five steps on the path to retain victory:

#### 1. Give God credit for every blessing and victory. (vs. 3-4)

- It is impossible to live victoriously without living by faith and giving full credit to God...victory is living in full dependence on God.

#### 2. Victory comes by obeying God's word courageously, completely, and uncompromisingly. (vs. 6)

#### 3. Victory comes by living a separated life. (vs. 7)

#### 4. Victory comes by loving God first and best. (vs. 11)

- Loving God means knowing Him personally, worshipping Him completely, obeying His commands consistently and seeking Him continually.

#### 5. Victory comes by counting the cost. (vs. 15-16)
