

Free to Glorify God

1 Corinthians 10:23-33

Three ways to use your freedom as God intended:

1. Build others up; don't live to gratify yourself. (vs. 23-24)

2. Make it your aim to glorify God even in the smallest things. (vs. 31)

Two things you must know about God's glory:

- God is inherently and completely glorious. God is all glorious! His very nature overflows with glory. (1 Timothy 6:15-16)
- God's creation (angels, physical creation, humanity) can reflect something of God's glory and can ascribe to God the glory due to Him. (Psalm 29:1-2)

3. Share the Gospel without being offensive. (vs. 32-33)

Conclusion: People DO look at your example and mine.
