

Behold!: God is Immutable and Faithful

Malachi 3:6; Numbers 23:19; Psalm 33:11; 90:2-4
James 1:16-17; Hebrews 13:8

BEHOLD! GOD DOES NOT CHANGE!

What is the immutability of God?

Three reasons why God is immutable:

1. God cannot change because He is eternal, HE EXISTS OUTSIDE OF TIME, therefore He is not subject to chronological changes.
2. God cannot change because God is already PERFECT in His character, His plans, and His promises.
3. God cannot change because He already KNOWS everything.

What are the practical blessings of God's immutability to the believer?

Four BIG personal blessings that come from God who is unchanging:

1. God's immutability is the only antidote to our sick, dying and ever-changing world. (Hebrews 13:8)
2. God's immutability offers us the only immovable foundation for our lives. (Matthew 7:24-27)
3. God's immutability gives believers hope in our movement toward Christlikeness. (Philippians 1:6; 2 Corinthians 3:18; Romans 8:29)
4. God's immutability guarantees us that all of God's promises WILL NEVER FAIL. (2 Corinthians 1:20; 2 Peter 1:3-4)
